**Answering 5 most burning questions on Marketing in this post.**

**MAKE SURE YOU *SAVE IT*  BEFORE YOU PROCEED!**

Q1:

# WHICH IS THE RIGHT MARKETING STRATEGY FOR MY BUSINESS?

The right marketing strategy lies between your target audience and their existing behaviour of buying your product or service. Sticking to what is working for others is the first step in identifying the right marketing strategy.

Q2:

## HOW TO BUILD THE RIGHT MARKETING TEAM?

First, finalise on a marketing strategy that works for your business. Then hire people with the skills required to execute the strategy.

Q3:

## WHAT IS THE RIGHT BUDGET TO INVEST IN MARKETING?

This varies from business to business and model to model. Best way to define the budget is to invest first and test different strategies and choose which gives you the highest ROI.

Q4:

## WILL MARKETING WORK FOR MY BUSINESS?

Is it relevant? Every business needs new leads every day.

This is what keeps the business running and growing. Marketing is relevant for every business, you just need to learn how to do it.

Q5:

## DO I NEED TO BE ACTIVE ON SOCIAL MEDIA TO MARKET MYSELF?

Marketing doesn't mean social media. There are a lot of offline marketing strategies that can help you generate leads. Choose the right strategy that is relevant for your model. Don't fall for trends.
